## STUDENT DETAILS

Student Name	Student ID
Muhammad Ayan Khan	Student1350732
Noman Ahmed	Student1358253
Muhammad Sami	Student1361111

## FACULTY DETAILS

**Mr. Omair Mushtaq**

## COORDINATOR

**Ms. Wajeeha Furqan**

## CURRICULUM

**7062**

## **ACKNOWLEDGMENT**

The first, we would like to express my special thanks of gratitude to my teacher Mr. Omair Mushtaq who helped us a lot in finalizing this project within the limited time frame, valuable counselling and assistance for the accomplishment of this project. Secondly, we would also like to thank the eProject team at Aptech Head Office, who assist us with golden opportunity to do this wonderful project about Calligraphy. At last but not the least, we also thank the eProject team, some of the benefits are as under:

- Re-enforcement of skills happens in the experiential learning process.
- A mentor, ensuring that we do not get drifted, constantly guides us.
- It gives us a lot of confidence to face an interview as we have worked on a project.

We can explain virtually everything on the subject we have learnt.

## SYNOPSIS

Follow the strong development of the internet, technology and growing usage of e sources to learn online, we've develop an interactive site to learn Calligraphy skills. It's a full-fledge e-commerce site where customer can select get membership or can use it on trial basis. Explore through the site can give basic idea of what is calligraphy art and its usage. It's a conventional science and can also apply in today's modern era as an upfront skills.

## PROBLEM DEFINITION

Calligraphy is a unique and creative writing skills of conventional era. CalliArt is a roadway provider to learn and enhance calligraphy techniques. We offer different packages from Beginner to Professional Level and also trial offers for our new users. It's an unique skill which is to be applied in daily life as an art to write-up and present perception.

## SCOPE OF THE WORK

The website is to be developed for the Windows Platform using HTML5, CSS, Bootstrap, jQuery and JavaScript and. The site should work well in all leading browsers including Chrome, IE, Firefox, Opera and Microsoft Edge etc.

**Home Page contains the following:**

- Logo
